FROM THE PRESIDENT

Committeeman James Perry, Hardwick Township

The 105th Annual League Conference is just around the corner and your League staff is working diligently on issues such as transportation and parking, hotel accommodations, exhibit booth space, education sessions, and major luncheon events.

Local officials can begin the conference planning process with details available in the June issue of *New Jersey Municipalities* magazine and on the League conference website, njlm.org/conference. The website has some important information about the conference hotel reservation system and schedule of events.

Conference Housing forms will be mailed to all Municipal Clerks on June 1 and will also be posted on the League website. The League strives to make it possible for your staff to attend and get the most out of the annual conference.

As of August 1, municipal officials will be able to register for the conference online at our website. Be sure to take advantage of this easy way to register early for the 105th Annual League Conference.

Full conference registration information will be sent to all Municipal Clerks during the first week of August.

Academy Bus chartered shuttle service will provide transportation to and from the Atlantic City Convention Center and the official Conference hotels.
