Dealing with the COVID-19 pandemic can be overwhelming for any municipality. Let the League website be a starting point for all your information needs.

The website homepage hosts news flashes covering the COVID-19 pandemic as well as our online COVID [resource page](#).

We also have a Legislative blog, [The Town Crier](#), that features frequent updates on NJLM's legislative activities regarding COVID-19 and other topics that may potentially impact local governments.

On the [Calendar of Events](#) you can find programming covering COVID-19 updates and other educational needs for you and your municipal staff.

The [publications webpage](#) features sample and subscribers bookshelves for the League's award-winning magazine, *NJ Municipalities*. This is also the go-to location for NJLM's other publications, including primers, surveys, directories, and white papers.

Peace Officers Memorial Day is May 15

Since 1962, Peace Officers Memorial Day is held annually in the United States on May 15 in honor of federal, state, and local officers killed or disabled in the line of duty. It is observed in conjunction with Police Week. While it is not a public holiday, many communities hold memorial services and fly the flag at half-staff. A national memorial service is held in Washington, D.C., on May 15.
