Re: New Jersey Public Employment Conference

Dear Mayor:

The League would like to make you aware of the New Jersey Public Employment Conference, an event which will take place on April 17th. This is a conference co-sponsored by the New Jersey Institute for Continuing Legal Education (NJICLE), the League and a number of other labor and management organizations.

This seminar will provide an overview of current issues like health benefits and public pensions as well as recent developments in PERC law. It would, therefore, be useful for mayors, administrators and attorneys to attend. Attorneys will receive up to 6.7 CLE credits.

The seminar will take place at the East Brunswick Hilton on Friday April 17th.

Please see the attached link for information on how to register.
