RE: State Budget Briefing for Mayors

Dear Mayor:

We have just been advised that DCA Commissioner Chuck Richman will conduct his annual 'listen only' conference call to brief local government stakeholders on the Governor's plans on local priorities. Occurring less than an hour before Governor Christie presents his annual budget proposal to the Legislature, this will be a "listen only" call to apprise mayors and other local officials and interested parties about the impact of the CY'18 budget on local government.

Here are the particulars.

Date: Tuesday, February 28th

Time: 1:15pm – 1:30pm

Purpose: Briefing for Local Government Stakeholders by DCA Commissioner Richman, DLGS Director Cunningham and Treasury/OMB staff

Dial-In: 888-636-3807 / Access Code: 9046681

Sincerely,

Michael Darcy, CAE
Executive Director
