Education Opportunities for Newly Elected Officials

PLEASE FORWARD TO YOUR MAYORS AND GOVERNING BODY

Dear Municipal Administrator/Clerk:

In some cases, a new slate of municipal policy makers will be taking the reins of government in January; we have a responsibility and obligation to do what we can to help them be better prepared to undertake the awesome responsibility of governing.

As we have in the past, I am reaching out to you for your assistance in making sure these officials are prepared to assume their roles as leaders, policy makers and partners in our ongoing efforts to improve the institution of municipal government.

Here are some League resources, to assist these new public servants. Please share them particularly with your newly elected officials.

- **PROMOTE** the attendance of the Orientation for Newly Elected, Re-Elected, and Experienced Municipal Officials on Saturday, January 12, 2019, at the Hilton Hotel in East Rutherford or on January 26, 2019, at the Westin Hotel Mt Laurel, New Jersey. This orientation for municipal officials, who are newly elected, reelected, or experienced is fast-paced and designed to bring elected officials up-to-date on important municipal issues. The newly elected officials will get a thorough overview of their major areas of responsibility, key contacts at the State level, and important sources of information and assistance. **Time: 8:30 a.m. – 3:30 p.m.** The [brochure](#) is available at the seminar web page.
- **ORDER the 2016-2017 Primer for Elected Officials.** Whether you are a veteran or newly elected mayor or councilmember, the Primer for Elected Officials provides the basic information needed to carry out the responsibility of governing. It contains an updated directory of services provided by the New Jersey State League of Municipalities, a guide to Titles 40 and 40A of the New Jersey Statutes Annotated, and an up-to-the minute listing of State Agencies and the Legislative priorities for the upcoming year. See our [web page for an order form](#). Alternatively,

contact Suzanne Allen, at 609-695-3481, ext. 129 or via email at sallen@njslom.org. The investment for members is \$20.00 and for non-members \$30.00. **It is a necessary guide!**

- **ENCOURAGE** them to register for the 2019 Annual Mayors' Legislative Day, held on April 5, 2019 at the State House Annex. The Mayors' Legislative Day will be a unique opportunity for the Governor to speak to our state's municipal leaders about his legislative, budgetary, and policy priorities for 2019 and beyond. In addition, key legislative leaders will receive an invitation. It will be an important opportunity for the local leaders to interact with the individuals who will control property tax relief funding during the next budget cycle. **Time: 8:30 a.m.-1:00 p.m. (State House Tours from 1:00-2:00 p.m.)**. The invitation is forthcoming.
- **SUGGEST** to your newly elected official that they may want to consider attending the League Conference in Atlantic City. For additional information visit the [Annual Conference](#) web page. The conference focuses on building relations with the administration and legislature to increase support for issues vital to the growth and maintenance of cities, towns, and villages. In addition, there are innovative programs and strategies, used by municipalities to address crime, fiscal responsibility, education, environmental protection and housing, among other topics. It is an opportunity for local elected officials from across the state to network, learn from their peers, and shape the League's policy agenda in Trenton for the coming year.
- **SUBSCRIBE** to *New Jersey Municipalities* magazine, designed to keep local government officials informed of the current events, news happenings and available products throughout the State of New Jersey. Each issue is carefully assembled to include news that can be used in urban, suburban, and rural municipalities; whether they are located in North, South, or Central New Jersey. This publication features testimonials from government officials and suggestions for improving municipalities throughout the State. **NOW ALSO AVAILABLE DIGITALLY**, viewable on tablets, smartphones, and computers. Digital magazines are compatible with Android, Apple, and Windows devices. This new digital copy contains the same content as our printed magazine. It is also conveniently with you on the go, as long as you have your electronic device and an internet or data connection to view it. To order, or view a sample of the magazine, visit the [magazine web page](#).
