## CEU Credit for Webinars

The requirements to receive CEU credits webinars are listed below. Please note, these procedures are **only for Live Webinars that have CEU credit.\*\***

1. **Attendance**-Attendees must be present for the entire webinar. Signing in late or signing out early may result in loss of credit
2. **Attentiveness**- Attendees are expected to pay full attention to the webinar throughout the duration of the program. GoToWebinar tracks each attendees computer. If an attendee clicks off the webinar screen at any time, this will be recorded. Please note, while the GoToWebinar system tracks each attendee, it **cannot** identify what an attendee clicks on and will not display any websites etc.

***Microsoft Word Warning:*** If an attendee wishes to take notes on the program, we ask that you please use pen and paper. Taking notes on the computer via Microsoft Word, One Note, etc that the webinar is running from will cause a drop in the attentiveness score and can result in loss of credit.

3. **Poll Questions**- Attendees are required to answer poll questions given at random throughout the webinar. These questions will be based on the material being discussed. Attendees must answer the poll questions to qualify for credit

Once the webinar has ended, the League will review each attendee based on the three criteria above. If the attendee has met all three of these requirements a certificate of attendance will be e-mailed within the next two weeks after the program.
